

Mint of the United States at Philadelphia,

MELTING AND REFINING DEPARTMENT,

Philadelphia, 12th January, 1886.

Sir,

In presenting the accompanying Report of my Refining operations for the month of September, 1885, I may remark that we commence our Refining for each Month as soon as the last deposits of that Month are reported by the Assayer, and continue Refining in the following Month until the whole is completed. I had nearly finished refining the Deposits of September towards the close of October, when Indisposition obliged me to break it off incomplete, so that I could not undertake it again until the close of December. I shall complete the Reports for October and November, 1885, forthwith

Very Respectfully
